Philippians 4:6-7

Be careful for nothing; but in every thing by prayer and supplication with thanksgiving let your requests be made known unto God.

EMBRACING CHANGES TO SERVE OTHERS

Over the past several months, daily living as we were accustomed has changed. The COVID pandemic situation has required us to adjust to various restrictions, delays, cancellations and unexpected changes. Mobile Meals delivery schedules, volunteer involvement and fundraisers have experienced change. **A change that has not occurred at Mobile Meals is ensuring our meal recipients are fed.** We have continued delivering meals in the midst of the enormous changes around us.

Our recipients needed assistance before COVID19 and they still need our assistance. Our goal is to safely provide nutritious meals to homebound seniors and to protect our volunteers who deliver the meals.

In March 2020, Mobile Meals adhered to guidelines set forth by the state and CDC to ensure the safety of all recipients, volunteers and staff. New practices were implemented and the necessary changes were put into action;

- Social distancing was immediately encouraged.
- Our meal delivery schedule was changed to delivering meals every other day as we adjusted to having fewer volunteers. Each delivery day our recipients receive a hot and a frozen meal.
- The process for volunteers picking up meals at our facility was changed to a Drive-thru.
- Mask, gloves and sanitizer are provided to volunteers as they pick up meals at the Drive-thru.
- Staff members check their temperature upon arrival to work each morning, wash their hands often, wear masks, practice social distancing and wear gloves as needed.
- Administrative staff began assisting with filling food trays in place of the Food Production Volunteers.
- Our fundraisers have either been postponed or cancelled leaving a gap in our annual budget.
- Communications through social media, phone calls, and email became a vital source to stay engaged with our community and supporters as we adjust to the necessary changes.

Mobile Meals continues to serve our 1200 meals recipients with the same passion as we did before any changes due to a pandemic. We are thankful for the Lord's blessings and assurance that He never changes and we can depend on Him.

GRATITUDE TO SPECIAL VOLUNTEERS

Due to the stay at home order issued early on and the risk factors involved for seniors, many of our faithful volunteers could not deliver. The Lord provided in an incredible way as several churches asked how they could help. NewSpring Church, Anderson Mill Baptist Church and The Jesus Christ Our Risen Savior Knights of Columbus, amongst many individuals came to help with meal deliveries. We owe each of those represented a debt of gratitude! We could not fulfill our meal delivery efforts without assistance of our community.

A WORD FROM OUR BOARD CHAIRMAN

CATHERINE REMINGTON

Dear Friends,

Recently, I was studying about Abraham's faith in God in Genesis. Although, for Abraham, his faith walk was a 'process' during which he had some failures; Abraham finished well because he came to realize that God always keeps His promises and that God will do the impossible in order to keep His promises. I was challenged by my pastor's conclusion that too often we miss what God has instore during difficult circumstances because we are only willing to trust Him UNTIL—until we do not understand ---until we run out of time---until we come up with our own plan that is not God's best, instead of trusting God all the way through the situation. During this time in our lives with so much uncertainty in many areas of our lives, I am reassured that God will see us through this time of COVID, economic uncertainty, and unrest. God will see the ministry of Mobile Meals through this time as we continue to endeavor to glorify God by providing meals, services, and fellowship to the frail and homebound citizens in Spartanburg County.

We continue to need volunteers, because so many of our volunteers are at high risk for COVID and unable to serve. We are grateful to New Spring church, the Mill church, and the Knights of Columbus who are filling some very important roles during this time. There are also individuals who are driving more routes than they have in the past. Thank you! Due to COVID, we have had to postpone many of our Fund raisers on which we depend. We are very thankful for some Grants that have come through as well as the faithful support of our donors. Again, thank you!

As a Board, we realize that the staff at Mobile Meals had continued to operate valiantly during these difficult times of change and challenges. Sebrenea Booker, our beloved office manager of 25 years, passed away in July. We know that Sebrenea is at peace with God, but she is greatly missed by many whose lives she touched with kindness, compassion, and wisdom. I will miss her radiant smile!

Your continued investment of volunteer hours and donations to Mobile Meals of Spartanburg is greatly appreciated and a real blessing to all of those we serve. Please continue to pray for this ministry.

Sincerely,

Catherine Remington

WELCOME NEW STAFF MEMBER

CHARLES "CHAZ" W. ESLICK

Mobile Meals would like to welcome Charles "Chaz" W. Eslick as the new Director of Food Production. Chaz comes to Mobile Meals with over 30 years of hands on experience and knowledge of food preparation, food and supply ordering, (both restaurant and high end catering), and teaching.

He formerly worked as the head Executive Chef with Pioneer College Caterers working at Spartanburg Methodist College and before that with various country clubs, a Marriott Hotel, with TV Chef Tyler Florence and other colleges along with personal high end catering. His past includes studying at the Culinary Institute of America.

He joins us on our spiritual journey and brings his vast experience and creative mind along with his wish and determination to use his experience with many food vendors to enhance our menus and exhibit multiple cost saving ideas.

We look forward to everyone meeting Chaz and his wife "Kat" (also a chef and wonderful volunteer here) when Covid-19 loosens its hold on our community.

REMEMBERING SEBRENIA BOOKER, OFFICE MANAGER

It is with heavy hearts that we lost our dear Sebrenia on July 3, 2020. Sebrenia served this ministry for 25 years, first with the food production staff and for many years as a devoted office manager. It is hard for us to imagine Mobile Meals without her but we love and serve a good God. Sebrenia had two sons, Kei'Shaud and Ka'Darren. Right now He has His arms around her family and this Mobile Meal's family. Please know that she served you well and will be greatly missed by us all!!

A private memorial service was held at Mobile Meals for the Board of Directors and staff. Please pray for her family and for all of us. We aren't sad for her because she has seen the face of Jesus, but very sad for all of us.

Farewell to Tony Williams

Tony Williams served Mobile Meals as Head of Food Production for 16 years. We will miss him greatly, but wish him all the best in his future endeavors.

MEMORIES OF CAMP CROFT COURTS AND ROY AND JIBBA POWELL *HOW THEIR LIVES CONTINUE TO BLESS OTHERS!*

Perrin Powell, son of Roy and Jibba Powell and Jayne McQueen

Sitting with Roy and Jibba Powell in the reception area for Mobile Meals in the 90's, they shared a very memorable story with me. Even though very ill with lung cancer, Roy insisted on continuing to deliver "their" route each week. This very day he had received a radiation treatment and the two of them (always) came to Mobile Meals to "sit awhile until I get my legs back under me," Roy would say. After 30 minutes or so they would faithfully deliver their route with food and love to Camp Croft Courts.

Camp Croft Courts was very special to them. Back in the 40's, Roy spent several years on active duty in World War II in the Aleutian Islands, which ended with an Allied victory over the occupying Japanese Army, followed by duty in Alaska and finally in Washington D.C.

Camp Croft Courts was a new project built for returning Spartanburg military and their families. The Powells moved into those apartments in late 1945 and lived there for 5 years. Many of you may know

Perrin Powell (former principal of McCracken Junior High), one of the Powells' 3 children, was born there.

In 1950 they moved to Boyd Street. They faithfully delivered and contributed to Mobile Meals from 1977 (the year Mobile Meals began) until within weeks of Roy's death in late 1997.

Roy and Jibba generously set up the Roy S. and Elizabeth P. Powell Mobile Meals Trust Fund with the Spartanburg County Foundation which annually provides a very generous gift to feed those in need, many of which are in Camp Croft Courts.

Their cycle of loving others and taking care of those in need will continue forever from their trust!

I pray that their generosity will inspire others. We always receive the blessing by blessing others.

ART HELPS

The Art Lounge wanted to encourage local children to paint while the COVID-19 “stay-at-home” was in place. They offered packets of canvas and supplies at cost. Twenty-six children participated. Once all the artwork was finished, the Art Lounge held a virtual art show. All 26 paintings sold. Each child was asked to choose a non-profit organization to receive the proceeds from the sale of their artwork. Two children, Carter McCarthy (age 9) and Jane Colbath (age 9) both chose Mobile Meals as their organization.

“WALK THE TALK DAILY” PRYM CONSUMER USA INTERNATIONAL AWARD

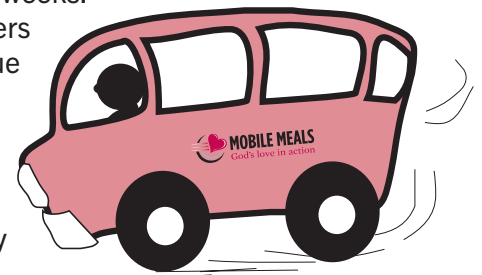

Michael Gregg was locally nominated and received this prestigious Pinnacle Award given only to 5 people internationally. In addition to his recognition, Prym, in his honor, gave a generous gift to the charities of his choice. He truly “walks the talk” of his faith and commitment to Prym, fellow employees and the community.

HELP FEED SENIORS - VOLUNTEERS NEEDED!

We have been blessed with over 150 new volunteers during the last 10 weeks. As many people are returning to work, and the majority of our regular volunteers are seniors themselves, we are still in need of volunteers. Please help us continue to feed our frail and home bound neighbors.

We will continue to deliver meals on our modified schedule. We will update our website and social media on a weekly basis to keep volunteers and recipients informed of our schedule. Staff and volunteers will be checking on recipients by phone on the “no delivery days”.

**IF YOU OR ANYONE YOU KNOW HAS AN EXTRA HOUR TO DELIVER MEALS,
PLEASE CALL VIVIAN OR PAULA (864) 573-7684.**

FUNDRAISERS IMPACTED BY COVID IN 2020 CANCELLATIONS AND CHANGES

Mobile Meals and other organizations coordinates many fundraisers throughout the year to support our 1.8 million dollar budget to feed Spartanburg's frail and homebound. We are not a government agency and depend on the donations to meet our budget. The COVID pandemic restrictions made the logistics for numerous events a challenge and unfortunately changes were necessary. The community has been incredibly understanding and we sincerely appreciate the continued support as we made changes.

THE BEN WRIGHT INTERNATIONAL CHALLENGE CUP (ICC) fundraiser is a substantial part of Mobile Meals annual budget grossing \$350,000 to \$400,000 each year. This year the ICC would celebrate the 25th Anniversary since its inception. The event is usually held in May though it was rescheduled for September 11th with hopes that COVID would be behind us by that time. Unfortunately, the event had to be canceled for 2020. The ICC Committee believed holding the ICC tournament in 2020 would significantly compromise the historical integrity of this great event. The two key factors that lead to this decision: The host clubs understandable social distancing logistical restrictions due to COVID and most importantly the well-being of our expected 224 golfers.

DINE AROUND is the annual event involving many local restaurants throughout Spartanburg County. This event is considered a win-win for both the restaurants and Mobile Meals. Keenly aware that our restaurants were among those hardest hit businesses, we decided to cancel out Dine-Around for October 2020 and will forward to October 2021. We pray our city and county and world will have rebounded and we can once again reach out to local restaurants and ask to join hands with us in 2021.

In April 2020 the **HUB CITY HOG FEST**, a popular community event held downtown Spartanburg benefiting Mobile Meals was cancelled. The new date will be announced at a later time. This annual event has previously provided up to \$75,000 to help feed our seniors. The barbeque competition is recognized as a South Carolina Barbeque Association-sanctioned BBQ Cook-Off. The participants include competitors from numerous states.

In March 2020 our second largest event, the **LAND CRUISE** was scheduled to set sail to Scotland sponsored by JM Smith Foundation and WSPA. The band, Back 9 and emcee Gordon Dill, WSPA news anchor and David Taylor auctioneer were all set to make a great event. Spartan Photo was ready to take cruise photos. The day before the event took place, Mobile Meals board of Directors, in good faith made the decision to protect the 600 guests and volunteers by postponing the event until March 12, 2021. This event generally grosses \$250,000 annually. Join us in March 2021 as we set sail to Scotland!
