

MEETING POLICIES & PROCEDURES

The Spartanburg County Foundation's mission is to improve the lives of Spartanburg County residents by promoting philanthropy, encouraging community engagement, and responding to community needs. Since 1943, the Foundation has been a leader in stewarding resources and developing initiatives that make our County stronger.

In October 2020, The Spartanburg County Foundation completed construction on South Carolina's first center for philanthropy. The Robert Hett Chapman III Center for Philanthropy (CFP) on the Campus of The Spartanburg County Foundation is a state-of-the-art hub to advance improvement in quality of life, educational achievement, and economic mobility across Spartanburg County. The CFP will serve the Greater Spartanburg community and the southeast region through civic engagement, thought leadership, and data-driven solutions that connect donors and organizations with resources and tools.

To maintain the facility and make it available to as many eligible groups as possible, The Spartanburg County Foundation has established the following policies and procedures.
